## LITTLE ONES BECOME BIG ONES

Many of our friends ask us why we put forth such efforts as we do to get small accounts, many of which are started with deposits of only one dollar. It is true that such accounts do not begin to repay the cost of

However, we are building for the future. These small accounts will grow. Many of them will in time become very profitable. The small depositor of today will be the large depositor of tomorrow. The boy who opens the dollar savings account will in a few years be he business man with a valuable commercial account.

We want the youngsters to get in the habit of bank. ing with us now, so that they will stay with us during the years to come.
